Principal's Message

When it is cold, we see students that only bring sweaters to school. Wind chills make it cold, at times, for recess. Please have your children properly dressed when we do go outside. Our guidelines at school are that if the temperature or a combination of temperature and wind chill is colder than -30°C , students will remain inside. On those very cold days, even when buses are not running, schools remain open and regular classes continue.

We are now beginning to look forward to next year. If you have, or know someone who has children born in 2018, King George Public School is now accepting Kindergarten registrations for the fall. Please come by the office to receive and fill out a registration form, or, families can fill out a registration form online by visiting <https://kg.srsd119.ca/>.

We recognize that families have a warm heart when it comes to Valentine's Day. However, in the past we have had an abundance of treats, cupcakes, etc. that have come into the school. It came to the point where there were so many treats at the end of the day, the remaining treats were thrown away. Please refrain from bringing classroom treats this year.

Families received an attendance package with their report cards. Attendance is very important to be successful in school. Please try to have your child at school everyday beginning at 8:25AM.

Have a good month and stay warm!
Mr. A. Feher – Principal

SCC MESSAGE

The School Community Council (SCC) is planning a gift card fundraiser in the next couple months. More details will be sent out closer to the date.

February 13th to February 17th, 2023 is School Staff Appreciation week at the school! The SCC is planning to provide goodies to the staff and hosting a luncheon on February 17th, 2023 for the staff. If any parents/caregivers would like to assist with baking or providing goodies for staff that week, please contact school reception and they can provide your contact information for an SCC to get in touch!

The SCC wishes that everyone has a wonderful February Break!

Sincerely,
Christine Koroll
SCC Chair
