## PRINCIPALS MESSAGE

With longer days and warmer temperatures, spring is just around the corner. The second round of student led interviews will be held Thursday, March 21, 2024. Pre-K to grade 4/5 families will receive appointment times while grade 5/6-8 teachers will conduct interviews in the gym. Please talk to your child stressing the positives and asking what can be done to make improvements.

It is great to see the improvements in our students' reading and comprehension levels. Continue to improve and work to the best of your ability.

Our school is beginning to look at enrollments for next year. If you, or you know of, someone that has children that will be turning 3 or 4 years old this calendar year, they can now begin to register for our pre-Kindergarten program. If you know of a child that turns 5 years old this calendar year, please come to the school to register for kindergarten. Also, if you know that you will not be attending King George Public School next year, please advise us. The earlier we know, the more prepared we can be.

Just a reminder that there will be minimal noon hour supervision on Friday March 1<sup>st</sup>.

Have a good month!

Mr. A. Feher  
Principal

King George School will be focusing on nutrition this year. Please limit the amount of fast food that comes into the school for lunch. Healthy meals make students focus and learn at a better rate.
