PRINCIPALS MESSAGE

As we begin to deal with the spring thaw, children are curious when it comes to mud and water. Please be aware that students may get their socks and feet wet as they approach water puddles. An extra pair of socks in a backpack can keep feet dry during the day. Hopefully the weather will cooperate, and our playground will be close to being dry when we get back from the Easter break. Communication between home and school is very important. If you need to talk to a teacher between now and the end of the school year, please don't hesitate to call. Thank you to those that came in for parent teacher interviews.

King George Public School will be holding a walkathon in May. Your child will be bringing pledge forms home. Please discuss with your child a respectful way to access pledges from friends and family. Incentives are in place at the school for top fundraisers.

As we get ready to prepare for the 2024-2025 school year, we anticipate a few changes before September. If you haven't, or know someone that hasn't, registered for Pre-Kindergarten (born 2020 or 2021) or Kindergarten (born 2019) please do so now. As well, families move for various reasons. If you know that you will not be with us next year, please let your teacher know so they can pass it on to the office.

The 2024-2025 school calendar is now on the Saskatchewan Rivers Public School Division website. Please visit www.srsd119.ca/parentinformation.html for more information.

SCC NEWS

Thanks again to all parents/caregivers who assisted their students sell Co-op gift cards for our March Fundraiser. It was a success raising almost \$800 towards our purchase of chairs for the school.

SCC will be hosting a Family Movie night at the school on Thursday, April 25th, 2024. More details will be sent home closer to the date. We hope to have a good turnout!

Have a great Easter Break!

Christine Koroll
SCC Chair

King George School will be focusing on nutrition this year. Please limit the amount of fast food that comes into the school for lunch. Healthy meals make students focus and learn at a better rate.
