PRINCIPALS MESSAGE

June is already here. It always amazes me how our students have grown both physically and intellectually over the year. Our dedicated students make King George Public School a great place to learn and grow. Thank you to all the parents over the course of the year for your continued support. As well, I like to thank our dedicated staff in the work they do.

This is a time when we say goodbye to our grade 8's. Many began their schooling here in Kindergarten, and it is time to move on to high school. Take with you the memories you made at King George. Visit us when you can. You all have individual talents, and we look forward to seeing you grow.

We also say goodbye to three staff members. Mr. Fines (Grade 5/6) will be retiring. Thank you, Mr. Fines, for the many years you have contributed to education, specifically in the area of technology. Enjoy your retirement years. We also say goodbye to Mr. Gareau as he will become Vice Principal at Meath Park School. Thank you for everything you do that is usually under the radar: Clan assemblies, social media, grant writing are just a few as well we will miss your humour. We also say goodbye to Miss Sinclair in the pre-kindergarten program as she will be entering SUNTEP in the fall. Another staff member we will be losing half time is Ms. Rutz as she will continue to be the band/music teacher at King George and have the same role at Red Wing School. We wish you the best as you continue your careers. As well, good luck to all our students that are leaving. If you know that you will not be back at King George, please inform our office. We welcome Ms. White coming to us from Riverside School as our vice-principal and Ms. Stonehouse who will be in the grade 5/6 classroom.

I would also like to thank our School Community Council (SCC) this year. You have supported the school in every capacity called upon. For parents, please think about joining the KGPS SCC, many wonderful events get planned and you get to have firsthand knowledge of happenings around the school.

Thank you to all that contributed many years of dedication to King George Public School.

Have a great summer!

Mr. A. Feher
Principal

Walkathon and Program Enhancement Fees

Thank you to the King George Public School Community for your support of our past Walkathon. Thank you as well to our parent volunteers that helped make the day a success. Our school raised more than \$2700. Many initiatives and prizes were handed out and our students were well deserving in receiving their prizes. We hope to continue this tradition for next year. In the future, money raised will go towards materials that we could use as well as saving a little bit for more expensive items.

King George Public School, with support from the School Community Council, will be continuing to have families contribute to the Program Enhancement Fee for the following school year. The fees will be \$30 per student with a maximum of \$75 per family. These fees go above and beyond the educational experiences that we provide for your children. Even though the school receives operational dollars, it is mostly for in school expenses. The Program Enhancement Fees do not go towards supplies for students. Many educational opportunities do come from student fees and hopefully we can resume some of the events that the student fees and walkathon contributes to.

Library News

It's coming to the end of the school year – which means it's time for Miss Bantle to do inventory in the library. Last day to borrow will be June 7 – **all books for students** to be returned June 14th.

Miss. Bantle

King George School is honored to be awarded the:

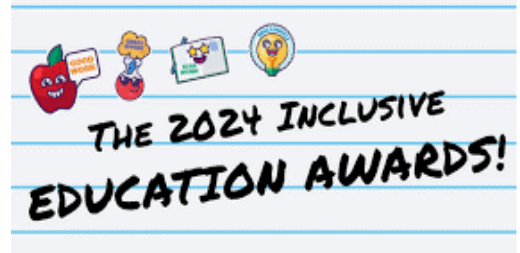

'National Inclusive Education Award, presented in collaboration by Inclusion Saskatchewan and Inclusion Canada'.

The award consisted of King George students participating in experiential play-based learning and our outdoor learning based at Little Red every Friday.

Students learn through different experiences and we here at King George provide those learning avenues so that every child gets the best education according to their needs.

All students are included, and it is a pleasure to see students excel in these environments outside of the classroom.

Register now to attend King George Public School for the 2024-2025 School Year by visiting our school website at

<https://kg.srsd119.ca/>

Or stop by the school office for a registration form.

Registration available for Pre-K – Grade 8

Important Information About the School Bus

Any students needing the school bus this fall must be registered. It only takes 2 to 3 minutes and is very easy to do! Registrations do not have to be done every year, but a student must be re-registered if their information (such as school, address or contact info) is changing. If you are not sure if you already have registered, please give us a call at the number below or simply register again. Doing so now will ensure your child is placed on the proper bus for the first day of school. Not registering on time could delay having your child assigned a bus several days into the new school year.

Click here <https://www3.srsd119.ca/busgarage/transport/request.php> or you can simply type “Sask Rivers School Division” or “SRSD119” in a search engine (we recommend Google). Scrolling down you should find the “Transportation” section with some helpful tools like a bus notification set up and, of course, the “School Busing Request Form”.

If you have any questions, please contact the Transportation Department at 306 763-2323.

Thank you,
Ryan Bruce, Manager of Transportation

SCC News

Thank you to all SCC members for all your hard work this year, and to families who support our events and fundraising. We are pleased that we reached our fundraising goal this year to purchase 100 chairs for the school to use for events etc.

The SCC hopes all families and students have a fun and safe summer and congratulates the Grade 8 graduates!

Sincerely,

Christine Koroll
SCC Chair

Christina's Art School - Follow your child's heart if they love drawing...

Starting June 1st, we are taking New Student Registrations for openings for our year-long art classes which start in September. Whether they develop their love of drawing and painting into a hobby, or it's their launch into a secondary school and a career, the skills they acquire will be with them for life! The Year-End Art Exhibition at Sandra's Gallery which is on until September. Classes also include a year-end Field Trip. For more information and to register, please see www.christinathoen.com or phone 306-961-3350 (Christina Thoen, Artist, Certified Teacher, B.Ed, Art Major) & see Christina's Art School on Facebook.

A reminder to all Parents that when you are dropping your children off at school to please adhere to all traffic laws.

You are in a school zone. No U-turns and the speed limit is 30km per hour. Please Park on the same side of the street you drive on.

Our student's safety is our top priority.
