Principal's News

As we begin to deal with the spring thaw, children are curious when it comes to mud and water. Please be aware that students may get their socks and feet wet as they approach water puddles. An extra pair of socks in a backpack can keep feet dry during the day. Hopefully the weather will cooperate, and our playground will be close to being dry when we get back from the Easter break.

Communication between home and school is very important. If you need to talk to a teacher between now and the end of the school year, please don't hesitate to call.

Thank you to those that came in for parent teacher interviews.

King George Public School will be holding a walkathon in May. Your child will be bringing pledge forms home. Please discuss with your child a respectful way to access pledges from friends and family. Incentives are in place at the school for top fundraisers.

As we get ready to prepare for the 2025-2026 school year, we anticipate a few changes before September. If you haven't, or know someone that hasn't, registered for Pre-Kindergarten (born 2021 or 2022) or Kindergarten (born 2020) please do so now. As well, families move for various reasons. If you know that you will not be with us next year, please let your teacher know so they can pass it on to the office.

The 2025-2026 school calendar will be available in the next few weeks on the Saskatchewan Rivers Public School Division website. Please visit www.srsd119.ca/parentinformation.html for more information.

SCC NEWS

A huge thank you to all families who sold and purchased Co-op gift cards for our playground project fundraising. We appreciate all the support!!

The SCC invites all families to our movie night at the school on Wednesday, April 16th, 2025, at 6 pm. Admission is \$5 a family, we will be showing the movie Hop and will have a cash canteen. A reminder and more details will be sent out the week prior to the date. Hope to see you there!

The SCC wishes everyone a wonderful Easter break!

Sincerely,
Christine Koroll SCC/Parent Council Chair

Do you have an Edsby account for your child(ren)?

Edsby is a wonderful way to connect with your school.

- You can enter your child's absence
- You can check your child's marks & report cards
- Check your "River of News" to see what is happening for the week
- Monthly Newsletters
- PreK & K Learning Stories
- You can message your child's teacher directly and receive classroom updates

**Check your email for the link to register your student today.
If you haven't received an email, call the school to verify we have your current email on file.**

Please Note:

1. Always avoid the staff parking lot on 23rd Street. Students can get dropped off and picked up near the sidewalk.
2. When dropping off students before the beginning of the day, please **drop them off at their recess door**. When it is cold outside, we have teachers at the door letting them in. The front door becomes very busy at the start and end of the day. If students are late, they are asked to come through the front door.
3. There are days where approximately 40 students are late. This makes the office very busy, and students may be missed when they come in and they miss valuable instruction time. ***Reminder that classes begin at 8:25 am and 12:30 pm in the afternoon.***

Program Enhancement Fees

The school, along with the SCC, implemented Program Enhancement fees for this year. \$15.00 for pre-k and k students, \$30.00 for students in grade 1-8 up to a total of \$75.00 per family.

Your Fees can be paid by cash or check at the school office or through the **School Cash Online** which you will find following the steps outlined below:

Go to the Sask Rivers web site: SRSD119.ca
Click on Parents
Click on School Cash Online
Follow the directions to set up your account and getting started.

King George School will be focusing on nutrition this year. Please limit the amount of fast food that comes into the school for lunch as we already have a canteen lunch available every Thursday. Healthy meals make students focus and learn at a better rate.

Introducing the All-New King George Canteen!

Increasing risk of measles in Saskatchewan

Measles cases are occurring at an increasing rate worldwide and the risk of exposure to measles in Canada is growing. Measles is one of the world's most contagious diseases and can be very serious. It can affect all ages, but tends to be more severe in adults and very young children. Catching measles while pregnant can affect the baby.

Measles is spread by coughing, sneezing, or breathing infected air. The virus remains active and contagious in the air for up to two hours. The best way to protect yourself from measles is through vaccination. Two doses of a measles-containing vaccine is 97 per cent effective at preventing the disease. If not up to date on their vaccinations, anyone can spread and catch measles. Please check that everyone in your household is fully vaccinated for measles.

For children:

- Children should receive two doses of a measles-containing vaccine, such as the Measles-Mumps-Rubella-Varicella (MMRV) vaccine. The first dose is given at 12 months of age and a second dose at 18 months of age.
- If you do not know if your child received the measles vaccine or if they have had both doses, check their vaccination history on the [MySaskHealthRecord website](#) or app.
- For children under 14, learn how to access your child's information on the [eHealth website](#). Children 14 and over must register for their own account – the guide to help your register is also on the eHealth website.
- If you do not see their full vaccination history on MySaskHealthRecord, contact the [Public Health office](#) where your child received their immunizations. To book an appointment for your child to be fully vaccinated, connect with the closest Public Health office.

For adults:

- Adults' eligibility for publicly-funded measles vaccinations depends on [their date of birth](#):
 - Born 1970 and onwards – two doses
 - Born 1957 to 1969 – if travelling outside of Canada, one dose
 - Born before 1957 - no vaccination is required
