PRINCIPALS MESSAGE

When it is cold, we see students that only bring sweaters to school. Wind chills make it cold, at times, for recess. Please have your children properly dressed when we do go outside. Our guidelines at school are that if the temperature or a combination of temperature and wind chill is colder than -30°C , students will remain inside. On those very cold days, even when buses are not running, schools remain open and regular classes continue.

We are now beginning to look forward to next year. If you have, or know someone who has children born in 2021, King George Public School is now accepting Kindergarten registrations for the fall. Also, registrations are being accepted for Pre-Kindergarten, children born in 2022 or 2023. Please come by the office to receive and fill out a registration form, or families can fill out a registration form online by visiting <https://kg.srsd119.ca/>.

We recognize that families have a warm heart when it comes to Valentine's Day. However, in the past we have had an abundance of treats, cupcakes, etc. that have come into the school. It came to the point where there were so many treats at the end of the day, the remaining treats were thrown away. Please refrain from bringing classroom treats this year. Have a good month and stay warm!

Mr. A. Feher
Principal
King George Public School

There will be no school on Friday February 13, 2026, for Ms. Swain's Kindergarten class.

There will be a Kindergarten Family Engagement at the Resource Centre from 1-3 for families who wish to attend on that day.

SCC

Hello from the SCC,

This year the SCC will once again be asking students to sell Co-op Gift Cards. Our week to sell is March 23 - April 1. All proceeds will go to making improvements at the school, including working towards new playground equipment. We are hoping all families will do their best to sell Co-op Gift cards to improve our school.
